The quest for sailors begins again IS IT SUPER HANG-ON? IS IT OUTRUN? IS IT SPACE HARRIER? No, it's Shenmue, from Ryo Hazuki game.. But why are his stats already maxed out? This gives almost no reason to play as him while you have other characters waiting to get experience on the events.. It was announced RIGHT AFTER I posted this review You guys should thank me for this.. Wait, that's another way around Anyway, it's cheap DLC that adds a single character.. That is Ryo That may not drive forklift, but keeps playing Sega classics Depends on how much you like this guy. [Best Svn Client For Mac](#)
